SUBSTITUTIONS & PERISHABLE ITEMS
Occasionally a substitute of equal or greater value may be required to complete an order so that your gift will arrive on time. Some decorative packaging may vary slightly from that pictured. During the months of May through September, gift packages normally containing chocolate items will be substituted with fudge or pralines. Chocolate items, excluding fudge, are shipped from October 1 through April 30 only due to hot weather. Pralines have a shorter shelf life than any of our other products and are more tasteful if eaten within two weeks.
